THE HON'BLE SRI JUSTICE L.NARASIMHA REDDY

WRIT PETITION No.23848 OF 2005

ORDER:

The petitioner is employed as a Secondary Grade Teacher in the fourth respondent school. He claims to be the senior most B.Ed teacher in the school. He states that the post of School Assistant (Social Studies) has fallen vacant and that he alone is eligible to be promoted against that post. It is urged that though the fifth respondent is a Science graduate, the fourth respondent is considering the case of the fifth

respondent alone for promotion against the said post. The petitioner submits that he made a representation on 28.09.2005 in this regard and seeks appropriate directions.

Heard the learned counsel for the petitioner and the learned Government Pleader for School Education.

The petitioner filed a copy of the seniority list said to have been prepared by the fourth respondent institution. According to it, the petitioner is the senior most Secondary Grade Assistant. The name of the fifth respondent figures at Item No.12. Whatever may have been the *inter se* seniority between the petitioner and the fifth respondent, it is evident that their branches are different. While the petitioner is from Social Studies branch, the fifth respondent is from Science branch.

As of now, it is not known as to which post of School Assistant is vacant, and whose cases are being considered for it. The petitioner made a representation on 28.09.2005. It is in the fitness of things that the same be considered, before any promotions are made to the post of School Assistants (Social Studies).

Hence, the writ petition is disposed of, directing respondents 1 to 4, to take the representation of the petitioner, dated 28.09.2005, into account, before any such promotions are made.
